This is the outside of the building as seen from the main road. Take the lane to the right of the building and take the first left to access the car park (as seen below).

Once in the car park, make your way to the left side of the building where the arrow is pointing below. You should see a black plaque advertising Elemental Academy Ltd. This is where we are located!

Please be aware that the door is locked from the inside and you won't be able to enter without a worker present. It is recommended that you message your worker on arrival at the car park so that they can meet you at the door.

Thank you! 😊
